33631	Waterproof HD Wiper Motor, 15 N·m, 12 Volt	3.5"
33632	Waterproof HD Wiper Motor, 15 N·m, 24 Volt	3.5"

Here are some more great details about our Waterproof Heavy Duty Wiper Motor:

- Two sweep speeds of 35 or 55 sweeps per minute
- The sweep angle can be adjusted from 40 to 110 degrees
- High quality all aluminum housing dissipates heat more efficiently than plastic for longer motor life
- The aluminum construction also provides better stability when mounted
- The insulated grounding is suitable for use with steel, aluminum, wooden or GRP boats
- Guaranteed for 3 years

Your boat's windshield wipers are **only as powerful as the motor that powers them**. The **NEW Ongaro Waterproof Heavy Duty Motor** offers the security of **waterproof** protection and delivers dependable, **trouble-free operation** all at a **competitive price**. Easily replaces older Ongaro and Bosch-type wiper motors for a simple, yet **powerful**, upgrade.
