WATERPROOF MARINE AUDIO SYSTEMS

MA-3013 3" Round Flush-Mount Speakers

The MA-3013 3" round flush-mount speakers are great for installations where mounting space is limited. When used in conjunction with Poly-Planar's MS-55 Box Subwoofers, these speakers give bright, clear sound with minimal intrusion. Ideal for mounting in flybridge overheads, smaller cabins or wherever space is at a premium.

MA-3013W

MA-3013G
