

## 4-LED DECK LIGHT - FLAT MOUNT

Unique, low profile LED multi-purpose deck light designed for flat mount. Ideal for hardtops, consoles, interior cabin and under gunnels.

### FEATURES & BENEFITS

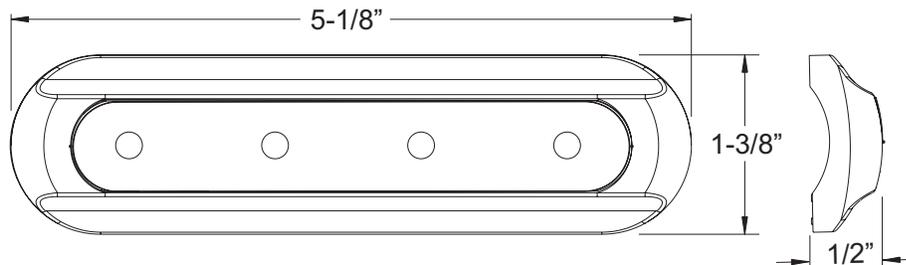

- USCG, ISO and SAE certified for Ignition Protection\*
- 10-watt equivalent to a 55-watt halogen flood light
- Powerful 700-lumen output with 100° spread beam angle
- 12-24 volts applications
- Very low power consumption (0.9 amps @ 12 volts, 0.5 amps @ 24 volts)
- 8' hidden power cable
- Available mounting options included: stainless-steel swivel bracket or 3M adhesive tape
- Compact design bolts directly to any flat surface 5" long and 1-3/8" wide
- Wire chafe guards included for running wires through tube or pipe

### MATERIAL CHARACTERISTICS

- White or black UV-resistant polycarbonate housing
- Durable and self-extinguishing clear plastic lens
- Anodized aluminum heatsink
- LED chips are silicone potted for IP67-waterproof (non-submersible)

**Stainless-steel Swivel Bracket with 60° pivoting rotation**

*Dimensions shown in inches*

\* Completely sealed lights have been tested in an explosive environment and exposed to an explosive atmosphere in high temperature that includes powering on-off 50 times without igniting the atmosphere at a temperature not exceeding 200°C. These certificates demonstrate the ability to consistently provide product that meets statutory and regulatory requirements that assure customer satisfaction and safety. Ideal for use in engine rooms, battery compartments and anywhere fire safety is of most importance.
