FUSION MARINE HANDHELD MICROPHONE

PRODUCT OVERVIEW

COMPACT, MARINIZED HANDHELD MICROPHONE

The new **Fusion Handheld Microphone** is an accessory product designed for compatible Fusion marine stereos with telemute feature, enabling you to make announcements over your Fusion entertainment system. The Fusion Handheld Microphone features built-in pre-amplification and a compact size that fits easily in the dash space of your helm using the microphone hanger.

COMMUNICATION IN AND AROUND THE BOAT

Use the Fusion Handheld Microphone to communicate with people in and around your boat. It's perfect to use for communicating when wakeboarding and water skiing, for social gatherings or boat raft-ups, on tourist boats and in water-hazard situations.

PLAYBACK OVERRIDE

Make announcements over your Fusion entertainment system, even when listening to your favorite song. Simply squeeze the trigger on your Fusion Handheld Microphone, and the audio playback on your compatible Fusion stereo will be paused, allowing for onboard broadcasting.

Note: Disable PartyBus™ on PartyBus-Network enabled stereos to avoid feedback.

IPX7 WEATHER-RESISTANT RATING

Enjoy confidence that your Fusion Handheld Microphone will last season after season in the harsh marine and outdoor environment. Meeting IPX7 international standards for water resistance, the Fusion Handheld Microphone is built to last on board.

KEY FEATURES

The **new Fusion Handheld Microphone** allows you to make quick and easy announcements over your compatible Fusion entertainment system, featuring:

KEY FEATURE

Use the Fusion Handheld Microphone to communicate with people in and around your boat. It's perfect to use for communicating when wakeboarding and water skiing, for social gatherings or boat raft-ups, on tourist boats and in water-hazard situations.

KEY FEATURE

Playback Override allows you to make announcements even when listening to your favorite song. Simply squeeze the trigger on your Fusion Handheld Microphone, and the audio playback on your compatible Fusion stereo will be paused, allowing for onboard broadcasting.

Enjoy confidence that your Handheld Microphone will last season after season in the harsh marine and outdoor environment. Meeting IPX7 international standards for water resistance, the Fusion Handheld Microphone is built to last on board.

PRODUCT COMPATIBILITY

STEREOS

APOLLO™ RA770

MS-RA770 | SKU 010-01905-00

Through creative design and technological brilliance, a purpose-built marine audio entertainment system featuring many industry firsts has been created, including many innovations you are accustomed to at home. Tap and swipe your way intuitively through your playlists with the glass touchscreen display, even with wet fingers, and enjoy high-quality music all day with Wi-Fi® streaming, including the AirPlay® 2 feature from Apple® or universal plug-and-play.

APOLLO RA670

MS-RA670 | SKU 010-02138-00

Award-winning innovation reembodyed, the Apollo RA670 marine entertainment system features Fusion DSP technology, PartyBus™-Network¹ capability, over-the-air software updates¹, Wi-Fi audio streaming¹ with AirPlay 2¹, Multi-Zone™ technology in up to three zones, optical audio input, Fusion-Link™ integration and an optically bonded 2.7" color display. The RA670 is truly a powerful extension of the Apollo Series.

APOLLO WB670

MS-WB670 | SKU 010-02346-00

Designed to simplify dash space at the helm, the new Apollo WB670 hidden stereo inherits key audio innovations from the Apollo RA670 reengineered in a compact, space-saving form factor, allowing for installation in out-of-way places such as storage lockers, inside helm consoles and other hidden compartments. Key features include Fusion DSP technology, PartyBus-Network¹ capability, Fusion-Link integration and more.

RA210

MS-RA210 | SKU 010-02250-00

The MS-RA210 compact marine stereo features new-look design aesthetics and built-in DSP technology from Fusion for an optimized audio entertainment experience. Key features include an optically bonded 2.7" color display, Fusion-Link integration and more.

RA70 SERIES

MS-RA70 | MS-RA70N | MS-RA70NSX

The value-for-money RA70 Series is designed to seamlessly replace any existing standard DIN-sized stereo. Key features include an optically bonded monochrome display, IPX7 water resistance from the front panel, Fusion-Link integration and more.

OTHER FUSION STEREOS

The Fusion Handheld Microphone is compatible with other Fusion stereos enabled with the telemute feature such as the MS-BB100, 755 Series, 650 Series and more.
