## FEATURES

### ME-Series

The Pioneer Marine series now has a variety of choices to meet the open water starting with Pioneer digital receivers, speakers, subwoofers, amplifiers and accessory kits. Visit [www.pioneerelectronics.com](http://www.pioneerelectronics.com) for more information about our other products we offer to make your water experience delightful.

### Designed for Marine Use

Take your boating experience to the next level with the Pioneer LED Kit (made for the TS-MEI00FC and TS-MEI00FS). While most marine LED Kits illuminate only the center part of the cone, Pioneer's LED kit illuminates the entire area of the cone. The LED Kit is also more resistant to heat and humidity than the majority of competitors' products and is rated IPX7 for water resistance. Shown in TS-ME650FC with Classic Grille on the left and TS-ME650FS with White Sports Grille on the right.
