GUARD AGAINST SINKING

by **SEAVIEW**///

Vault Series Center Drain Plug by SEAVIEW

The revolutionary new boat drain plug, specifically designed to replace the shorter & far more expensive T-handle center drain plug.

- **Vault Center Drain Plug**

- Triangular ergonomic cap - no tools required
- 8" total length for better reach
- Fits all 1 / 2 NPT brass and stainless transom garboards
- NPT thread and a backup O-ring for a water tight fit
- Floats if accidentally dropped in the water
- Manufactured from durable marine grade ABS + 15% fiber
- Part # SV102VC
