- Prices are in USD. Iridium reserves the right to modify or delete plans as necessary, including while in commitment. Reactivation Fees apply to all Iridium SIM Card types.
- Unused allowance does not carry over month-to-month. Calls from any Iridium terminal to 8324 will be routed to the Network Innovations Support department. These calls are free of charge.
- The "Included Minutes" for all plans will be provided on a first-usage basis for mobile originated Voice calls to Fixed, Cellular, Iridium and Voicemail destinations from the Iridium Phone only. For the Basic Level 1 and Level 1 Welcome Plus plans, the "Included Minutes" will also include mobile originated Data calls to Fixed, Cellular and Iridium destinations from the Iridium Phone. To clarify, +1 Access, Two-stage dialing, SMS, and mobile originated calls to other MSS Systems are excluded.
- New Standard Level 1 - 75 Voice and Standard Level 1 - 150 Voice Plans will be available for new and existing activations. Level 1 10 Free Minutes Plan will be available for new activations only. Migration of existing customers to the Level 1 10 Free minutes pricing plan is prohibited.
- Initial SIM Card Monthly Fee is pro-rated based upon the number of days active for all Telephony, Data, RUDICS, +1 Access and Paging plans. Final monthly fee is not pro-rated regardless of deactivation date for all Telephony, Data, RUDICS, +1 Access and Paging plans. For clarity, this includes all Iridium GO!, CREW and Australia plans, as well as Standard Telephony plans.
- Iridium +1 Access (Local Number - US) allows Iridium customers to pay an additional monthly fee to receive a dedicated Local Phone Number (currently only available for US-Arizona phone numbers) that is linked directly to the satellite phone. The Iridium customer will pay for all satellite airtime on incoming calls received on this Local Phone Number. The caller will, however, pay for those long distance and / or international charges associated with calls to the Local Phone Number based upon the Country Code / Area Code assigned. See Iridium Local Number Services page for price and availability for countries other than the USA.
- Available effective 28 June 2018, the Iridium Unlimited ISU-ISU Option allows the customer to make unlimited Iridium to Iridium voice calls for an additional monthly fee with no per-minute charges. This Option is only available on the Standard Level 1 (5 min), Level 1 10 Min / 10 SMS Plan, Level 1 - 75 min Voice, and Level 1 - 150 min Voice Plans. It is not available on any Geo-Restricted, Crew, PTT Companion or GO! plans. The Unlimited ISU-ISU Voice option is only available for Iridium Subscribers using SIM-based Iridium Handsets and is not available for use with L-Band Transceivers or the Iridium GO!® ("Non-Eligible Equipment"). Data rates will not be affected. Unlimited ISU-ISU Voice option will be pro-rated upon initial activation, but "final fee" for the option will not be pro-rated when the option is turned off. Upon turning off the Unlimited ISU-ISU Voice Option, all new ISU-ISU Voice calls will be charged. To clarify, the Unlimited ISU-ISU Voice option will always be charged through the last day of the month, despite the date that the option is turned off. However, any ISU-ISU Voice calls that are made after the Unlimited ISU-ISU Voice option is turned off will be charged at the standard rate.
- Iridium reserves the right to at its discretion, amend any charges that apply to any Rate Plans including during their Minimum Period.

- Prices are in USD. Iridium reserves the right to modify or delete plans as necessary, including while in commitment. Reactivation Fees apply to all Iridium SIM Card types.
- Calls from any Iridium terminal to 8324 will be routed to the Network Innovations Support department. These calls are free of charge.
- Iridium GO! Postpaid rates are only available when used on Iridium GO! terminals. Usage on a Standard Iridium Handheld or other terminal type will cause the usage price to revert back to the equivalent Standard Postpaid rates. The Unlimited plan is subject to a Fair Access Policy. A complete copy of the Iridium GO!™ Unlimited Fair Access Policy may be received upon request.
- Voice and data traffic bills in 20 second minimums / increments. Pages are limited to 120 characters per message.
- Iridium GO! Data minutes are specific to Iridium GO! Access Number via an Iridium GO! terminal using the GO! App. For clarity, Standard Data connections, including RUDICS, made from an Iridium GO! terminal are explicitly not included.
- The minutes included on the GO! 75 and GO! 150 plan will include a total of the designated number of minutes for use as Iridium GO! Data usage, and Standard Voice services from an Iridium GO! terminal (Iridium - Fixed / Cellular, Iridium - Iridium, and Iridium Personal Mailbox Access). Other Voice destinations, Two-Stage Dialing and +1 Voice usage are not included in the allowance.
- The GO! Unlimited Data plan contains an additional 150 minutes of Iridium Voice services (Iridium - PSTN, Iridium - Iridium, and Iridium - Voicemail) in addition to the unlimited GO! Direct Internet Data. Other Voice destinations, Two-Stage Dialing and +1 Voice usage are not included in the Voice allowance.
- Initial SIM Card Monthly Fee is pro-rated based upon the number of days active for all Telephony, Data, RUDICS, +1 Access and Paging plans. Final monthly fee is not pro-rated regardless of deactivation date for all Telephony, Data, RUDICS, +1 Access and Paging plans. Deactivation Date will be calculated based upon GMT / UTC. For clarity, for these plans, SIM Cards deactivated after midnight GMT / UTC on the last day of the month (i.e., technically deactivated on the 1st of the new month per GMT / UTC) will be charged a full month's monthly fee.
- Iridium reserves the right to at its discretion, amend any charges that apply to any Rate Plans including during their Minimum Period.
