

ROKK™

MINI.

Phone Mount Kit

In the box:

1) UNIVERSAL PHONE CLAMP

Secure mount for smart phones and other small devices. Fits devices from 45mm to 95mm (1¾"-3¾").

2) 360° BODY

A metal-on-metal locking system multiplies your clamping efforts to achieve 100% locking force. Your electronics will never move, until you want them to.

3) BASE

A - High strength Suction cup
or

B - Screw down
or

C - 3M self adhesive
or

D- Rail Mount
or

E- Tie Mount

The ROKK mini universal phone mounting kit is the toughest mounting system for your device.

The hi-performance modular system allows you to attach your electronics to boats, cars, off-road vehicles, aircraft and more. Move your electronics conveniently between different types of base mounts in different locations in one easy click.

Want to unlock multiple mounting options in different locations or simply mount a different electronic device? Just add another top or base to your system and extend possibilities of your ROKK mini starter kit.

| | 1) Clamp | 2) Body | 3) Base | Part Number |
