

Luma-Vu

For those curious to find out what lies below the ocean's glassy surface, the Luma-Vu Underwater Camera will take you there.

The Luma-Vu Camera gives you a crystal clear view of what's happening in the ocean beneath you. Simply flick the switch on your Aqualuma Luma-Vu underwater Camera, and a kaleidoscope of colour will be revealed. The Luma-Vu Underwater Camera continues Aqualuma's commitment to enhancing your boating experience. Manufactured with Aqualuma's famous corrosion-proof, injection-moulded polymer housing, this high resolution colour CCTV camera is virtually bullet proof (and definitely shark proof!). Luma-Vu will connect to any video input.
